Dear Mom & Dad,

We have been experiencing hot weather with every day over 90°. The air conditioner in the bedroom makes it nice for sleeping, but the house gets pretty hot by the evening.

We are looking forward to the trip and hope you can come. If so, you should plan to fly out on Friday ~~July~~<sup>June 29</sup> 6. Take United # 644 which leaves Seattle for Stuller at noon. You get here at 9:15 PM and we can start right out for New York. If this isn't convenient, let me know and we will make some other arrangement. We would plan to get back home on Sunday July <sup>8</sup> 15. It will be a lot of fun seeing New England. The only thing that would interfere would be an emergency at work, but that is unlikely —

P.S. I tentatively moved <sup>up</sup> the date, but if the original week is better, that is fine too.
